Säluke on väga väle
Hüppab igast kohast üle.

Rohelisel murul hani
Kavjataimed nahka pani.

Kuke meel on röömus täna,
Pojad tõi tall' wana fana.

Jänes kargab ruttu, ruttu,
Kuulis jahisarwe luttu.

Ropp küll on see sea teha,
Nga hästi maitsew liha.

Tuifene on nii waga,
Lastele ta meeldib wäga.

Luige jalad järvel jõubwad,
Läbi wee ja luha jõudwad.

Pärast jõöki wainne kofu
Annab igal' loomal' kaju.

Lambafene murul uidab,
Dma pead seal röömsast' toidab.

Pardile on wesi armas,
Sealt ta toitu leidma warmas.

Lapsed, selle linnu nimi
Wafan on, eks ole ime.

Koera trundus fulla hinnas
Igas majas maal ja linnas.

Konimises fits on walju
Üle mäe ja üle kalju.

Wou faba wäga uhke,
Tema toredus ka rohke.

Kalkun nõuab uhtust taga,
Ujab laial' oma jaba.

Kass on maja puhastaja,
Siire, roti hävitaja.
